Mindy sits in the exam room if a new, female Russian OB/GYN, DR LUDMILA TRAPEZNIKOV. She takes some vitals.

DR TRAPEZNIKOV

MINDY

Oh, thank you. Peter speaks very highly of you.

DR TRAPEZNIKOV

Peter, Peter is my favorite Jew.

MINDY

He's my favorite Jew as well.

DR TRAPEZNIKOV

Yes. Now according to medical records, you are high-risk because of, how you say, fat, and much age.

MINDY

Hey man, I know you just moved here from like the Urkraig or whatever, but in this country, when you call a woman fat and old it's considered rude.

DR TRAPEZNIKOV

I mean not be rude! Where I come from, where there is so much starve, fat is compliment. You no understand. Fat like big...happy. Fat, lots of meats for the baby, this mansion you give. You are pregnant, yes?

MINDY

I am going to Texas for a wedding, and I need to know if I can ride the mechanical bull.

DR TRAPEZNIKOV

No no no no. Maninshka, you have pre-eclampsia. You no ride nothing. No bull, no man and no fly nowhere till vabishka is pushed out.

MINDY

Is my blood pressure that high?

Dr Trapeznikov holds up the BLOOD PRESSURE DIAL.

DR TRAPEZNIKOV

These numbers they not go up high enough. I need to switch to veterinarian one, which is for, how you say, for beast.

MINDY

I don't know how I'm going to tell Peter that I can't be his best man.

DR TRAPEZNIKOV

You are a man! Oh now, this makes so much more sense. Yes yes.
