

Script            The Sitter, Noah/Marisa

ROLE: Noah/Marisa

NOAH is a twenty-something slob with no money, no job, and no future. He's been kicked out of school and has a long arrest record for petty crimes. His one happiness is his so-called girlfriend MARISA.

MARISA thinks he's a nice guy but his feelings for her do not match her feelings for him.

INT. MARISA'S APT

NOAH and MARISA are hanging out in her apartment.

NOAH

You ever gonna take down these pictures of your ex-boyfriend?

MARISA

They're not pictures of my ex-boyfriend, Noah, They're pictures of my high school experience. besides, there's a picture of you too. Look at my prom picture.

Noah picks up a framed picture of Marisa and Ricky at prom. Sure enough, in the background is Noah, in a powder blue tux, staring forlornly at Marisa.

NOAH

Call me crazy, but uh, I can't help thinking you still got feelings for this guy.

MARISA

For Ricky? He's a total asshole. He dumped me and screwed my best friend. I hate him. How can you even say that?

NOAH

Look, I don't want to fight. It's my fault, I've been in a shit mood lately. It's not easy getting kicked out of college, y'know?

MARISA

You didn't get kicked out. You got suspended. You look at everything so negatively.

(CONTINUED)

NOAH

Well, it sucks, Marisa. After Christmas break, everyone will be back at school, you'll be back to school, but me, I'll be living with my mom for the next six months.

MARISA

I'm sorry. Is there anything I can do to make you feel better?

NOAH

There is actually.

MARISA

What?

NOAH

You can change your facebook status to 'in a relationship'.

MARISA

That would make you feel better?

NOAH

Yeah.

MARISA

Jesus, Noah, you gotta grow up.

NOAH

Sure you don't wanna come over tonight? My mom's going out. We could get Chinese. Watch Netflix.

MARISA

No. I'm really not feeling well.

NOAH

Alright. I'll call you later.
